

BIDDING ADDENDUM

No.: 1

Date: February 19, 2016	
Project Name: Ventura Harbor Village Accessibility Improvements (Phase 2)	Project Number: 1313061

BIDDING RFI #1

Request

Can a contractor with an "A" General Engineering License bid as the Prime Contractor for the Harbor Village Accessibility Improvements Project?

Response

Yes, a contractor with an "A" General Engineering License can bid as the Prime Contractor.

REVISION TO SPECIAL CONDITIONS

Description

The following paragraph shall be added to the Special Conditions chapter of the bid documents.

SC-14

Pedestrian and service access to all restaurants and retail shops shall be maintained during their respective business hours throughout construction in a safe and orderly manner. Temporary structures can be installed to provide access during periods of construction so long as they meet the State's accessibility requirements. Notify adjacent business owners 48 hours in advance of construction.
