**HOLIDAY INN EXPRESS & SUITES HOTEL BEGINS CONSTRUCTION
ON EXPANSION OF 40 NEW WATERFRONT GUEST ROOMS IN VENTURA HARBOR**

VENTURA, Calif. – The waterfront Holiday Inn Express & Suites hotel at Ventura Harbor Resort has recently announced the start of construction on 40 new guest rooms showcasing picturesque harbor views and an array of guest amenities. Upon completion of the expansion in Spring 2019, the hotel will grow to 109 guest rooms.

Located between the ocean and Harbor Boulevard, alongside the boats and the Promenade in Ventura Harbor, the expansion affords stunning Harbor and sunset views. In addition to the new guest rooms, the renovation of the existing Holiday Inn Express & Suites will feature an expanded lobby and an adjacent breakfast area, and a new front exterior entryway.

“Our occupancy has been so high that it’s created the demand,” said Vice President Brighton Management Victor Dollar, adding that the hotel is almost 95 percent booked year-round.

The Holiday Inn Express & Suites is within a ten-minute walk on the waterfront Promenade to Ventura Harbor Village’s seaside restaurants, coastal boutiques, and live entertainment. A complimentary Downtown- Harbor Trolley can pick up guests four days a week to head to the Ventura Harbor Village as well.

Ventura Port District General Manager Oscar Peña said: “It’s exciting to see this type of expansion. Guests will be able to enjoy all the recreational activities in Ventura Harbor Harbor including trips to the Channel Islands National Park, whale watching and fishing.”
