- Cul-de-sac improvements at Beachmont St and the Arundell Barranca
- Speed cushions on Beachmont St, Seaview Ave, Outrigger Ave, and Seafarer St
- Intersection improvements at: Beachmont St and Seafarer St; Beachmont St and Seashell; Beachmont St and Seaview Ave

CONSTRUCTION SCHEDULE

The total time frame for the project is approximately 57 working days. The construction work has commenced on April 3, 2019 and is expected to be completed by June 21, 2019. Construction hours will be 7:00 am – 5:00pm M-F, with no work on weekends and holidays.

STREET CLOSURE

Southbound Beachmont St and northbound Anchors Way will be **CLOSED** to vehicular traffic at the Arundell Barranca bridge. There will be **NO** vehicular access between the Ventura Keys and Ventura Harbor during the road construction project. Vehicular access between the Ventura Keys and Ventura Harbor will need to use Harbor Blvd. Access will be open to pedestrians and bicyclists, subject to periodic work closures.

TRAFFIC CONTROL

Temporary traffic controls will be implemented throughout the course of the road construction routing traffic around the work areas.

Access to and from Anchors Way to the Ventura Port District and Harbor Town will be maintained at all times.

SAFETY

Road construction projects can present challenges for residents, businesses and visitors in and around the project limits. Traffic controls are put in place for the safety of the commuters and the workers. Please use caution when travelling through the project work areas, and let's keep everyone safe.
