

## **VENTURA HARBOR MARINA COMMERCIAL DOCK IMPROVEMENT PROJECT CONSTRUCTION PROJECT UPDATE**

**May 6, 2019:** The anticipated Ventura Harbor Village Dock Improvement Project is in the works commencing mid-May with completion in September 2019. The Dock Improvement Project aligns with the Port District goals to position the Ventura Harbor Marina has a world-class working commercial harbor. Project focus includes utilities and the infrastructure of the dock systems, including fire suppression. The majority of the project is on the water but there will be some landside improvements.

- Staging/Equipment area at north end of Village lawn will be fenced off Wednesday, May 8.
- Saw cut prep for Promenade area in front of 1559 building on Monday, May 6 or Tuesday, May 7. The Promenade will remain open to pedestrians these two days.
- Wednesday, May 8, construction will commence in front of 1559 building for demolition and debris removal. This area in front of 1559 Building will be blocked for approximately 10 work days. Jackhammering Heavy noise from construction will be one day only.
- Normal work schedule will be 6:30 AM to 3:00 PM, Monday thru Friday on the Dock Improvement Project
- No work scheduled on weekends for duration of Dock Improvement Project (est. end of September 2019)
