Awarded supplier will be required to provide a sample of each bided product prior to final approval of award. **5** LOCAL BUSINESS PREFERENCE PROGRAM - Once all bids are opened, the bids of those bidders who are Local Businesses and are within the (“LBPP”) guidelines shall be reduced by five percent (5%) for purposes of determining the lowest responsible bidder. If the bid of a Local Business, after applying the Local Business Preference, is then the lowest responsible bidder (the “Lowest Local Business Bidder”), that Lowest Local Business Bidder shall have the opportunity to reduce its bid to match the bid of the actual lowest responsible bidder, in writing, within one (1) business day, whereupon the General Manager shall make a recommendation to the Board to award said Lowest Local Business Bidder with the contract if the General Manager determines, in his or her sole discretion, that such bid is responsive to all of the terms and conditions stated in the District’s previously published notice inviting bids.

If the Lowest Local Business Bidder does not elect to reduce its bid to match the bid of the actual lowest responsible bidder, then the next lowest Local Business bidder (the Second Lowest Local Business Bidder”) shall be given the opportunity to match the bid of the actual lowest responsible bidder in the time and manner set forth above; provided, however, the bid of such Second Lowest Local Business Bidder must also be within five percent (5%) of the actual lowest responsible bid.
